These notes detail the criteria and give guidance to clubs seeking membership to the SJJA and should be read in conjunction with the Association Constitution and Bylaws and Rules.

All clubs seeking an affiliation with the SJJA should complete the relevant form, which should be sent along with the relevant fee to:

**SJJA REGISTRAR
SJJA HEADQUARTERS
93 Douglas Street
Dundee
DD1 5AZ**

Thereafter, the registrar shall confirm that **PROVISIONAL MEMBERSHIP** has been awarded for a temporary period, usually 6 months. The General Secretary shall send the club a copy of the SJJA Constitution and other relevant papers.

After a short time to study the documents, the applicant club will be invited to lodge with the Association the following documents

- (1) a copy of the Constitution - If the club does not have one then the Association have a number of models on file and can give assistance if required.
- (2) a copy of the syllabus or grading system in operation - If the club do not have a formal syllabus or grading system the SJJA format may be adopted.

Once the items aforesaid are acceptable to the SJJA Registrar then the club's application shall go to the Board who will decide on what category of membership to elect the applicant club to. When the club has been elected to membership they may nominate a representative from their club to sit on the Board.

If for some reason the items aforesaid are not acceptable, then negotiations or discussions will begin. The provisional membership period may then have to be extended to accommodate these discussions.

The applicant club will be under no duress to join and may renege on the application at any stage prior to going to the Board. However, once elected into membership, other than of a provisional status, the club will be bound by the Association Constitution and Rules.

Membership fees shall be due annually by every club in membership irrespective of their category of membership.
